

FOR FORWARD THINKERS, THOUGHT

LEADERS AND ENTREPRENEURS.

Key into Piano House, an imposing Victorian warehouse in Brixton that has been intelligently regenerated with uncompromised attention to detail. Both consisting of creative office space & coworking Club Space, this is a creative campus fostering growth and collaboration. All units include comfort cooling, communal breakout areas and kitchen, roof terrace, showers and bike storage.

Our spaces are unfurnished so that you can make it your own and add your mark - whether that be bright coloured walls or industrial furniture - design your spaces to suit your needs. We're here if you'd like quirky ideas.

BUZZING BRIXTON

BRIXTON

Like Piano House itself, Brixton is a story of interesting evolution as opposed to bland gentrification. There is a welcome positivity and a wider diversity than ever. If you ever liked Brixton before you will love the new version! If you have, somehow, never visited then we're pretty sure you'll quickly get why we love it so much.
